

## Soft Play & Ball Pool Hire Safety Guidelines

1. Children must be supervised using the equipment at all times.
2. For indoor / dry outdoor use. Please do not allow to get wet.
3. Please remove shoes to avoid damaging the equipment.
4. Please do not play whilst wearing face paints, as these can stain the equipment.
5. Do not allow children to play with or ride on bags and portable containers that are used to transport the soft play equipment.
6. The equipment is cleaned and checked between each hire. Should you notice a damaged item, please notify us so that we can remove and replace it.
7. Please ensure all balls are returned to the ball pool before collection.
8. No food or drink is to be consumed on the equipment.
