Nature of support 2015/16

At the Nelson Academy we aim to encourage all children to find enjoyment in sport and physical activity, not only in school but as part of everyday life. We are extremely keen to build on the 2012 Olympic Legacy of enthusiasm and interest in sport by celebrating the sporting achievements of children both inside school, and through their own involvement with sport outside of school.

During the academic year September 2015 to July 2016 we plan to spend our funding in the following areas:

- Subscription to Norwich City Football Club 'School Sport Programme'
- High quality Continuing Professional Development (CPD) for staff
- Access to Downham Market Academy Cluster sporting events
- 'Sensory Circuits' intervention resources
