### WELL DONE

**KS1 London & KS2 Carmarthen CLASS**

As the end of term approaches, I would like to pay tribute to the amazing staff at Nelson Academy whose unfailing commitment to your children, sheer hard work and passion for education sees us end this year in the best shape the school has ever been in.

Our assessment results across the school are enough to make us a securely good school under the Ofsted framework, and indeed Dr Ramsey will be putting together over the summer an argument for an 'outstanding' judgement.

Couple this with the incredibly rich and varied school experience your children have- the extraordinary Lion King, art exhibitions, ukulele lessons, diploma ceremonies, sports opportunities, aspiration raising events at CWA to name a few, and it is no surprise that we have a rising roll and indeed waiting lists for some year groups!

Next year promises to be just as exciting and rewarding with more opportunities through Trust and Cluster projects, the hard work and commitment of The Friends of Nelson and the unfailing enthusiasm and hard work of staff and pupils alike.

It has been a privilege to lead such an amazing school and I thank you all for the part you have played. You all continue to inspire me, make me very proud, and I wish Nelson Academy and all who are part of her, continued success next year and beyond.
