Please come along on **Monday 6th July after school** to look at your child's work. Each classroom will be open for you to pop in. You will be pleased with the progress your child has made this academic year. We are very proud of them all.

We are planning on slightly changing the times of the school day in September. Although the day will finish for children at 3pm, the amount of learning time does not change as lunchtime will be 15 minutes shorter. We are finding that children are struggling with an hour at lunchtime and often the behaviour in the last 15 minutes deteriorates, bringing problems into the classroom. We will of course continue to run our after school clubs and the earlier finish time for children means that we can run longer staff training sessions.

The relevant times are below, please let me know if there are any comments you would like to be considered.
