Key Stage 2 E-Safety Parent Session

Nelson Academy will be hosting an hour-long informational session for parents to address some topics and issues surrounding our students and the Digital Age. Our presenter, Scott Lyons, is a NUT representative who has delivered many training sessions and informational talks about the relevant issues that children and parents face in the online world today. Areas of discussion will include E-Safety, cyber bullying, safety with apps, privacy and security and parental involvement with childrens' online habits.

This session will be held from 3:30-4:30 in the large hall, on Thursday June 30th, and is open to all KS2 parents and carers.
