I am in the process of organising the **Year 5/6 Future Fair** to be held on **Friday 6th March from 2pm - 4pm. Parents of these children are invited to this event.**

This has been a really successful event over the last few years. It does however, rely upon people giving up their own time to represent their work, with the aim of inspiring the young people and giving them an insight into what jobs will be available when they leave school. You will have a table and a display board if needed and children will pass your stall asking you questions and gathering information about your job. Please let me know if you feel this is an event you would like to be part of. We invite the press so it will be good advertising for you too. I would appreciate a quick response to this as March will be here before we know it!
